

DRAFT

**Proposed Amendment to the County of Santa Barbara's
2016-17 Annual Action Plan**

A. General Information

The County of Santa Barbara (County) is proposing a Substantial Amendment to its 2016-17 Annual Action Plan (Action Plan) as required by the U.S. Department of Housing and Urban Development (HUD), outlined in 24 CFR Part 91. Per HUD regulations and the County's Citizen Participation Plan, a Substantial Amendment is required when any of the following is proposed:

- To make a change in its allocation priorities or a change in the method of distribution of funds;
- To carry out an activity, using funds from any program covered by the consolidated plan (including program income), not previously described in the action plan;
- To change the purpose, scope, location, or beneficiaries of an activity;
- To increase the funding level of a previously approved activity or program by 50% or more;
- To change the purpose, scope, location or beneficiaries of an activity to the extent that it would be considered a new activity, at the discretion of HCD;
- To change the types of beneficiaries proposed to be served by the activity, such as from homeless persons to elderly persons, when more than 50% of the original beneficiary types will be changed.

The proposed change aims to fund an activity not previously described in the Action Plan. Therefore, a Substantial Amendment is required and subject to public notice and comment period, formal approval by the County Board of Supervisors (Board), and submittal to HUD.

B. Summary of Substantial Amendment to 2016-17 Annual Action Plan

The County proposes to add an eligible project to the 2016-17 Annual Action Plan where Habitat for Humanity of Southern Santa Barbara County (Habitat) has requested County HOME funds, in an amount of \$300,000. Habitat is a non-profit organization that provides homeownership opportunities for low-income families. The HOME funds will be used to construct three (3) single family homes in the City of Carpinteria. These homes will be sold to families with incomes between 40% and 80% of Area Median Income, as published annually by the U.S. Department of Housing and Urban Development (HUD) for Santa Maria/ Santa Barbara Metropolitan Statistical Area (MSA). Additionally the homes will have a resale restriction recorded against the properties to assure affordability to low-income families for ninety (90) years.

C. Citizen Participation and Public Comment

In order to solicit and receive public input for the proposed Substantial Amendment, the County followed the public comment process as detailed in its Citizen Participation Plan (CPP).

Substantial Amendments made to the Annual Action Plan require notice to the public and a 30-day period during which the public may provide comments on the proposed Substantial amendments. A summary of the proposed Substantial Amendment was published in a notice to solicit comments over a 30-day period before the amendment is considered for approval by the

County Board of Supervisors at a regularly-schedule public hearing. The notice clearly stated the start and end date for the comment period, where to access the document for review, and how to submit written comments in accordance with the procedures outlined in the CPP. Any and all comments received in writing prior to and during the public hearing will be considered by the Board and will be included in the Substantial Amendment. A summary of any comments received, and a summary of any comments not accepted and reasons therefor, will be attached to the Substantial Amendment, which will then be submitted to the Los Angeles HUD field office of the U.S. Department of Housing and Urban Development (HUD).

The Substantial Amendment will be considered at the February 28, 2017 Board of Supervisors public hearing, and County HCD staff will be present to answer questions about the proposed Substantial Amendment. The submission of written comments is encouraged. When finalizing the amendment, HCD will include a summary of the comments received from citizens in writing and orally prior to and during the public hearing for this item, as well as a response to any comments not accepted.

Prior to the public hearing, the draft Substantial Amendment will be available for review at the following locations:
