ANIMAL SERVICES and C.A.R.E 4 PAWS *Bring Veterinary Services to the Pets of the Cuyama Valley*

(Santa Barbara, Calif.) -- Santa Barbara County Animal Services is partnering with C.A.R.E. 4 Paws to bring a Dog Licensing Clinic and **FREE** Spay-Neuter Clinic to the residents of the Cuyama Valley. The event will be held on **Sunday, April 22nd, 2018, 10 a.m. to 1 p.m. at the New Cuyama Valley Family Resource Center**. FREE spay or neuter appointments are available to Santa Barbara County Pet owners only. Space is limited, call today!

There are 4 steps to being a responsible pet owner:

- **Vaccinate** – Vaccinations are the best way to provide protection against life threatening diseases and viruses that can affect your pet.
- **Licensing** – Licensing your pet is required by state and local laws. All dogs over the age of 4 months are required to wear a license. A license tag is your pet's ticket home.
- **Spay or Neuter** – Spaying and Neutering your pet prevents the birth of unwanted puppies and kittens and enhances your pet's health and quality of life.
- **Microchip** – Microchipping is a form of permanent identification. With a microchip, your pet can be easily identified if found by a shelter or veterinary office.

The Cuyama Valley Licensing and Spay or Neuter Clinic provides:

- Santa Barbara County Dog Licenses – visit www.projectpetsafe.org for information regarding unaltered licensing requirements.
- Affordable vaccinations:
 - Rabies \$5
 - DHPP \$14
